New Members and Board elections completed in conjunction with the General Assembly at AIPC's 2011 Annual Conference in San Diego ensure a diverse and continuing global representation for the membership of the international organization. In terms of the Board of Directors, Iker Goikoetxea Mendoza, who is the Managing Director of the Kursaal Congress Centre in San Sebastian, Spain, replaces Marisa Marin as a Spanish representative. At the same time, Peter Gunn, who is the Chief Executive of the Bournemouth International Centre, has replaced previous UK Board member Jacquie Rogers.
